

# Chasing After You

CARL CARTEE and PHIL JOHNSON  
CUT CAPO ON 2

## VERSE 1

Em  
We love to talk about the shepherd boy  
Bm Em  
That stood alone against Goliath  
Am7  
We don't say much about the mighty king  
Bm7 Em  
Who killed a man and took his wife  
D Em  
But in the failures and the victories  
D B7  
God still heard him sing

## CHORUS

Em  
You are my shepherd  
Em7  
You are my king  
D  
Who I am and what I do  
Em Am Bm  
Is meaningless unless I glorify you  
Em  
You are my shepherd  
Am7  
My everything  
D  
I will leave myself behind  
  
And spend the rest of my whole life  
Em  
Chasing after you

## VERSE 2

We love to talk about the good we've done  
Put our victories on display  
Do we fail, do we fall  
You never hear us say  
But in our failures and our victories  
God will hear us sing
